JUSTICE FOR EVERY CHILD–AN INITIATIVE OF KAILASH SATYARTHI CHILDREN’S FOUNDATION

“We for Love” is a project curated, produced and presented by young sarod virtuosos, Amaan Ali Bangash and Ayaan Ali Bangash, to raise awareness for **Justice For Every Child** campaign launched by Kailash Satyarthi Children’s Foundation (KSCF). This campaign provides legal and mental health support to child victims of rape and sexual abuse. Through this campaign, KSCF aims to intervene in nearly 5000 strategic cases across 100 districts in India.

In their “We For Love” project, Amaan Ali Bangash and Ayaan Ali Bangash have been joined by some of the most reputed names from the music world and entertainment industry including Karan Johar, Karsh Kale, Malini Awasthi, Mahesh Kale, Shubha Mudgal and the iconic Sarod Grand Master Amjad Ali Khan. The cover art has been created by the prolific Paresh Maiti. The proceeds of this project go directly to KSCF.

Children are our future. Their protection is an issue which should concern all of us. There are many such subjects which require immediate attention. However, we need to place children above everything else as their development is critical to their future. Donate to the campaign to ensure that child victims of rape and sexual abuse receive the much-needed support in their quest for justice. Together we can and we must ensure justice for every child.
